ANOTHER FEATHER IN THE CAP

Award-winning chef Darren Badenhorst has added to his portfolio by piloting Le chène in the Manor House, situated at the five-star Leeu Estates, part of Leeu Collection. Le chène serves French-inspired dishes made from regional produce. Both the name and concept of this new dining experience acknowledge Franschoek's history. To complement the food and to add a historic touch to Le chène, Badenhorst has commissioned a stunning, six-metre long, 750-year-old yellowwood feature table from master craftsman Pierre Cronje. For bookings, please email reservations@lechene.co.za.
