STAY **SAFE.**
AT THE
PRESIDENT

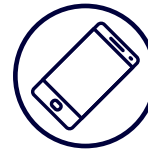

SAFE INITIATIVE

We have launched SAFE 'Sanitizing Academy For Employees', which focuses on specialised training for all hotel staff incorporating global best practice.

A NON-INVASIVE TEMPERATURE SCREENING

Non-invasive temperature checks are done on all arrivals at the hotel.

KEYLESS ENTRY

Guests are able to use their mobile devices with our Bluetooth door locks to enter their room / apartment.

CONTACTLESS CHECK-IN AND OUT

Our check-in process has been streamlined to utilise digital platforms and limit interaction.

PPE

Our staff all wear the relevant personal protective equipment as directed by the World Health Organization.

SOCIAL DISTANCING

Our spaces have been redesigned to respect social distancing requirements.

48 HOUR ROOM QUARANTINE

Our occupancy is carefully monitored and where possible, rooms are quarantined for 48 hours before next check-in.

CONTACTLESS PAYMENT OPTIONS

Masterpass, Tap & Pay Credit Card Machines, SnapScan, Zapper and iVeri Secure Payment Gateway are available.

COMPLIMENTARY HEALTH KIT

Guests will be provided with complimentary hand sanitizer and disinfecting wipes in each room / apartment. Gloves and masks are available on request.

ADVANCED CLEANING TECHNOLOGY

Hospital-grade cleaning products, SDST, electrostatic sprayers and HEPA-grade air purifiers will be used to maintain the highest standards of cleaning and disinfection.

FOOD AND BEVERAGE

Food and beverage offerings will be pre-wrapped, grab-and-go options that are prepared under strict hygiene conditions. Sustainable single-use packaging is used where possible.

HEALTH AND SAFETY MANAGER

On-site Health and Safety Manager available 24 hours a day. Health inspection certification by external suppliers.
